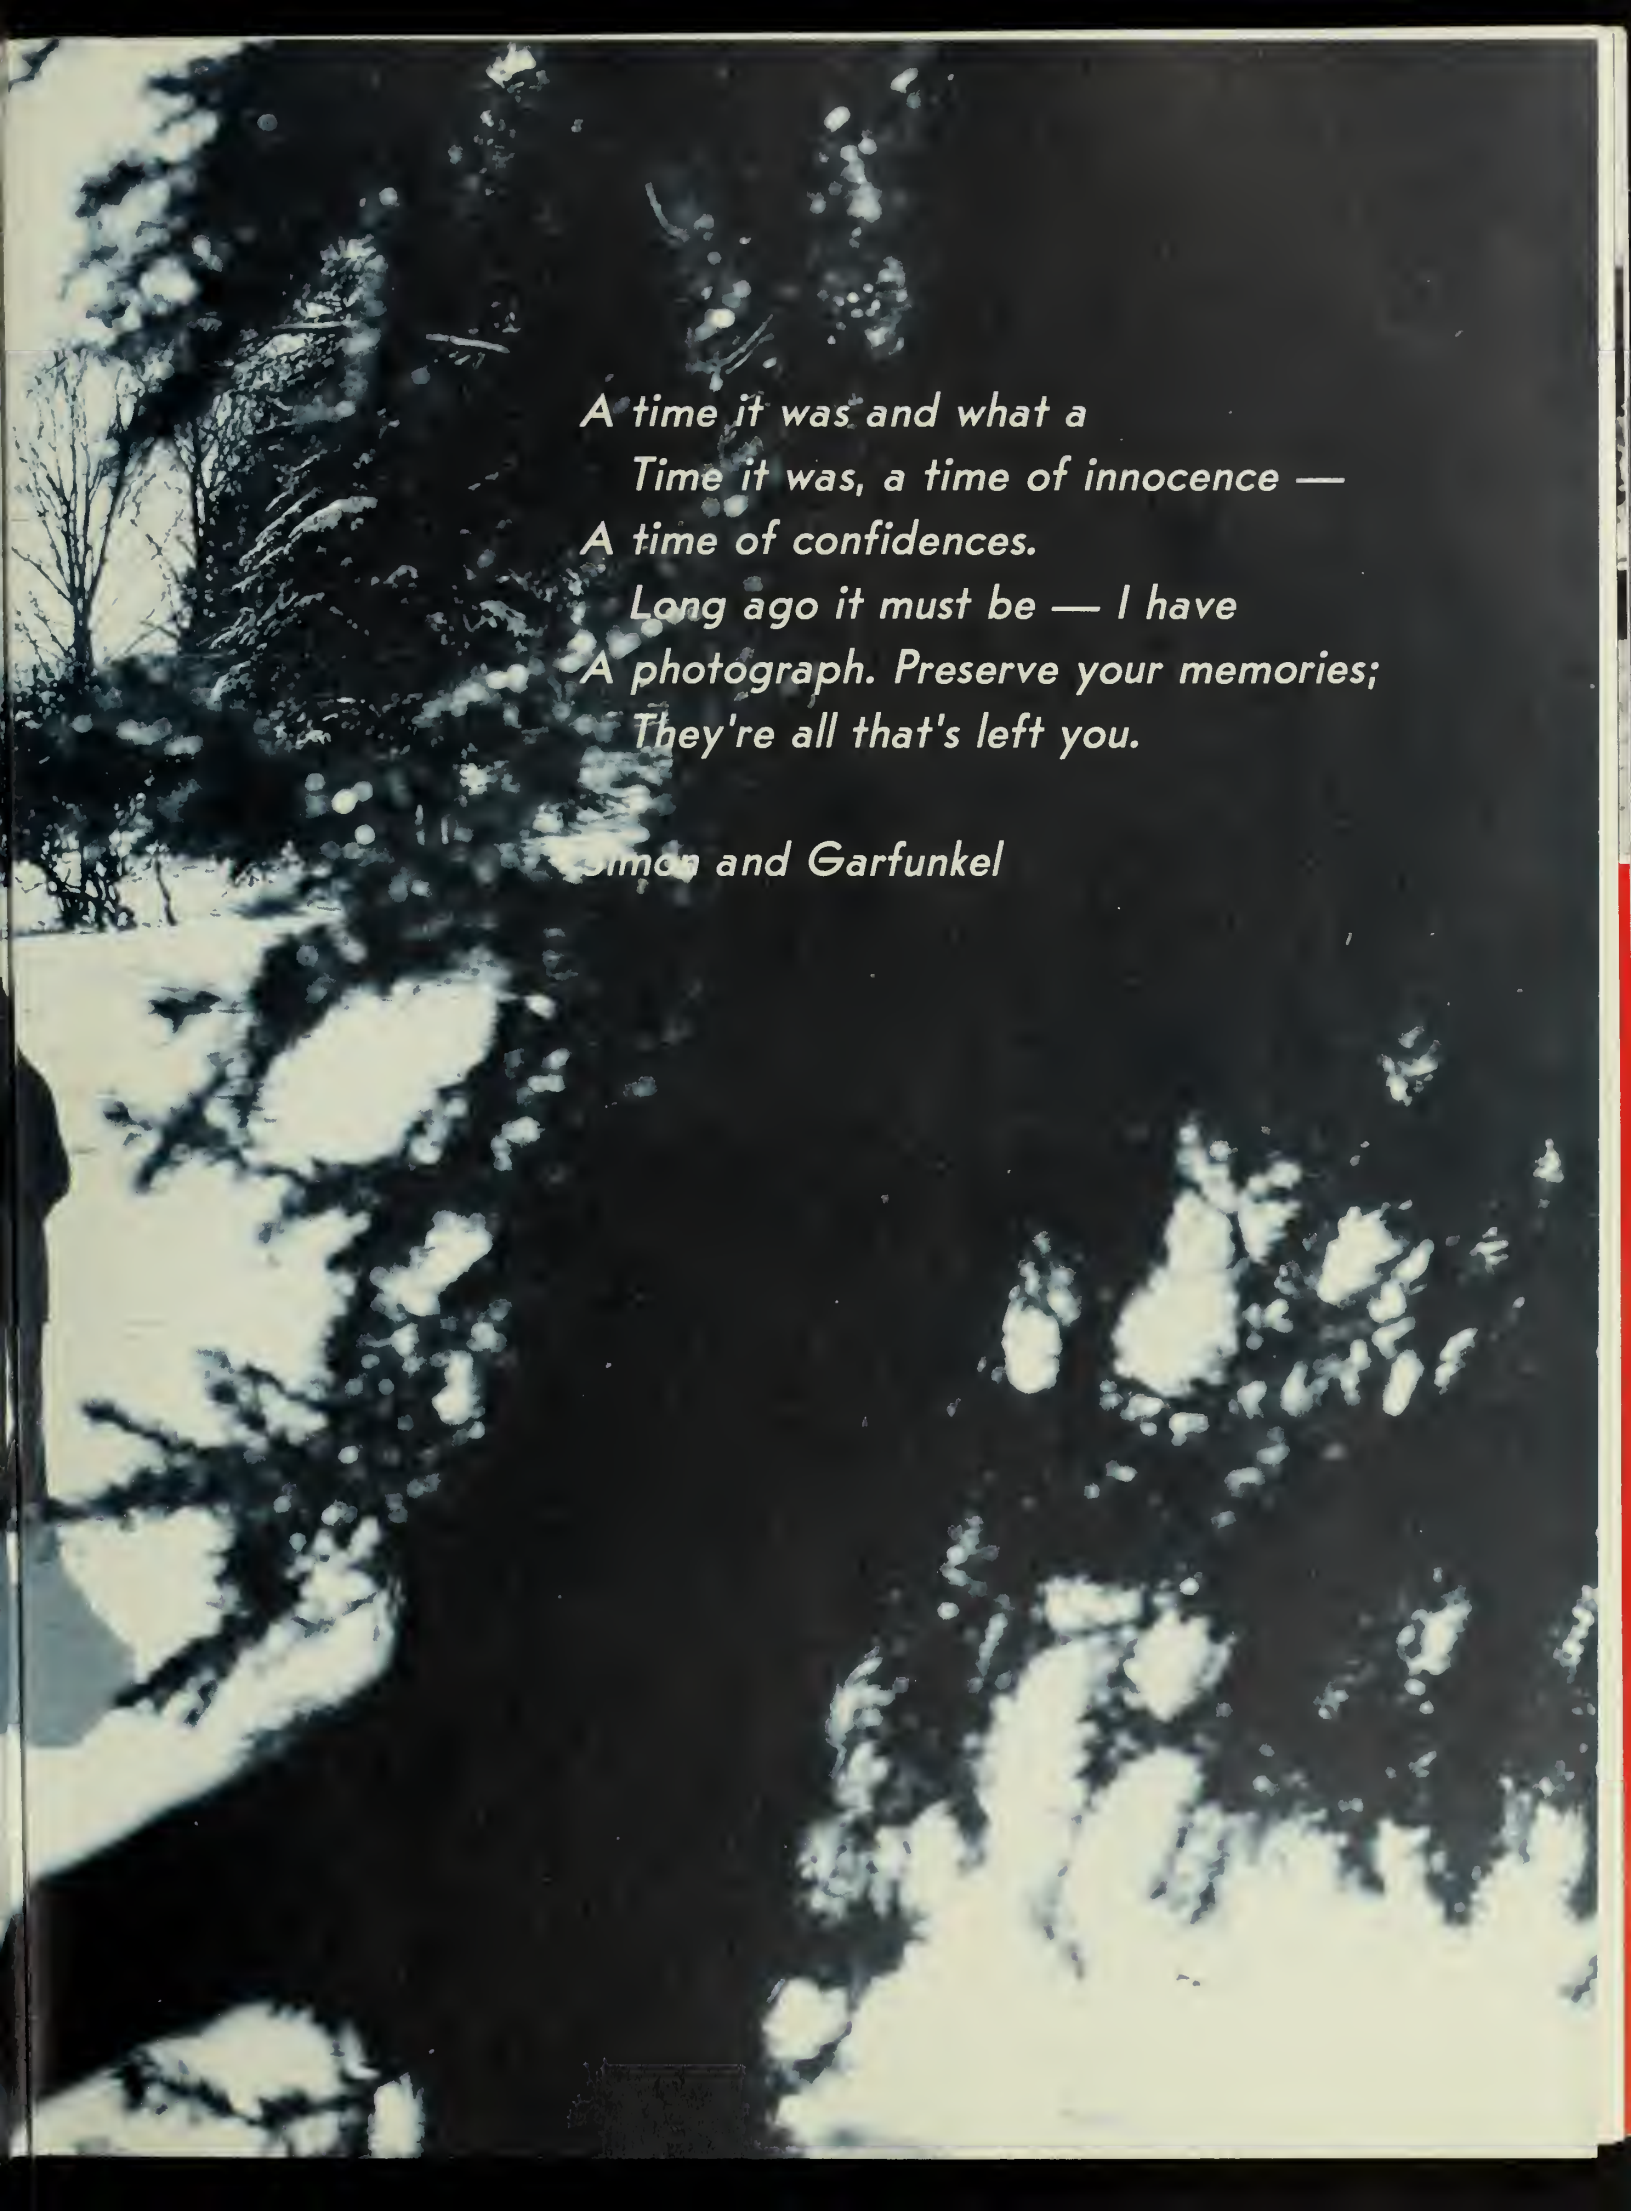
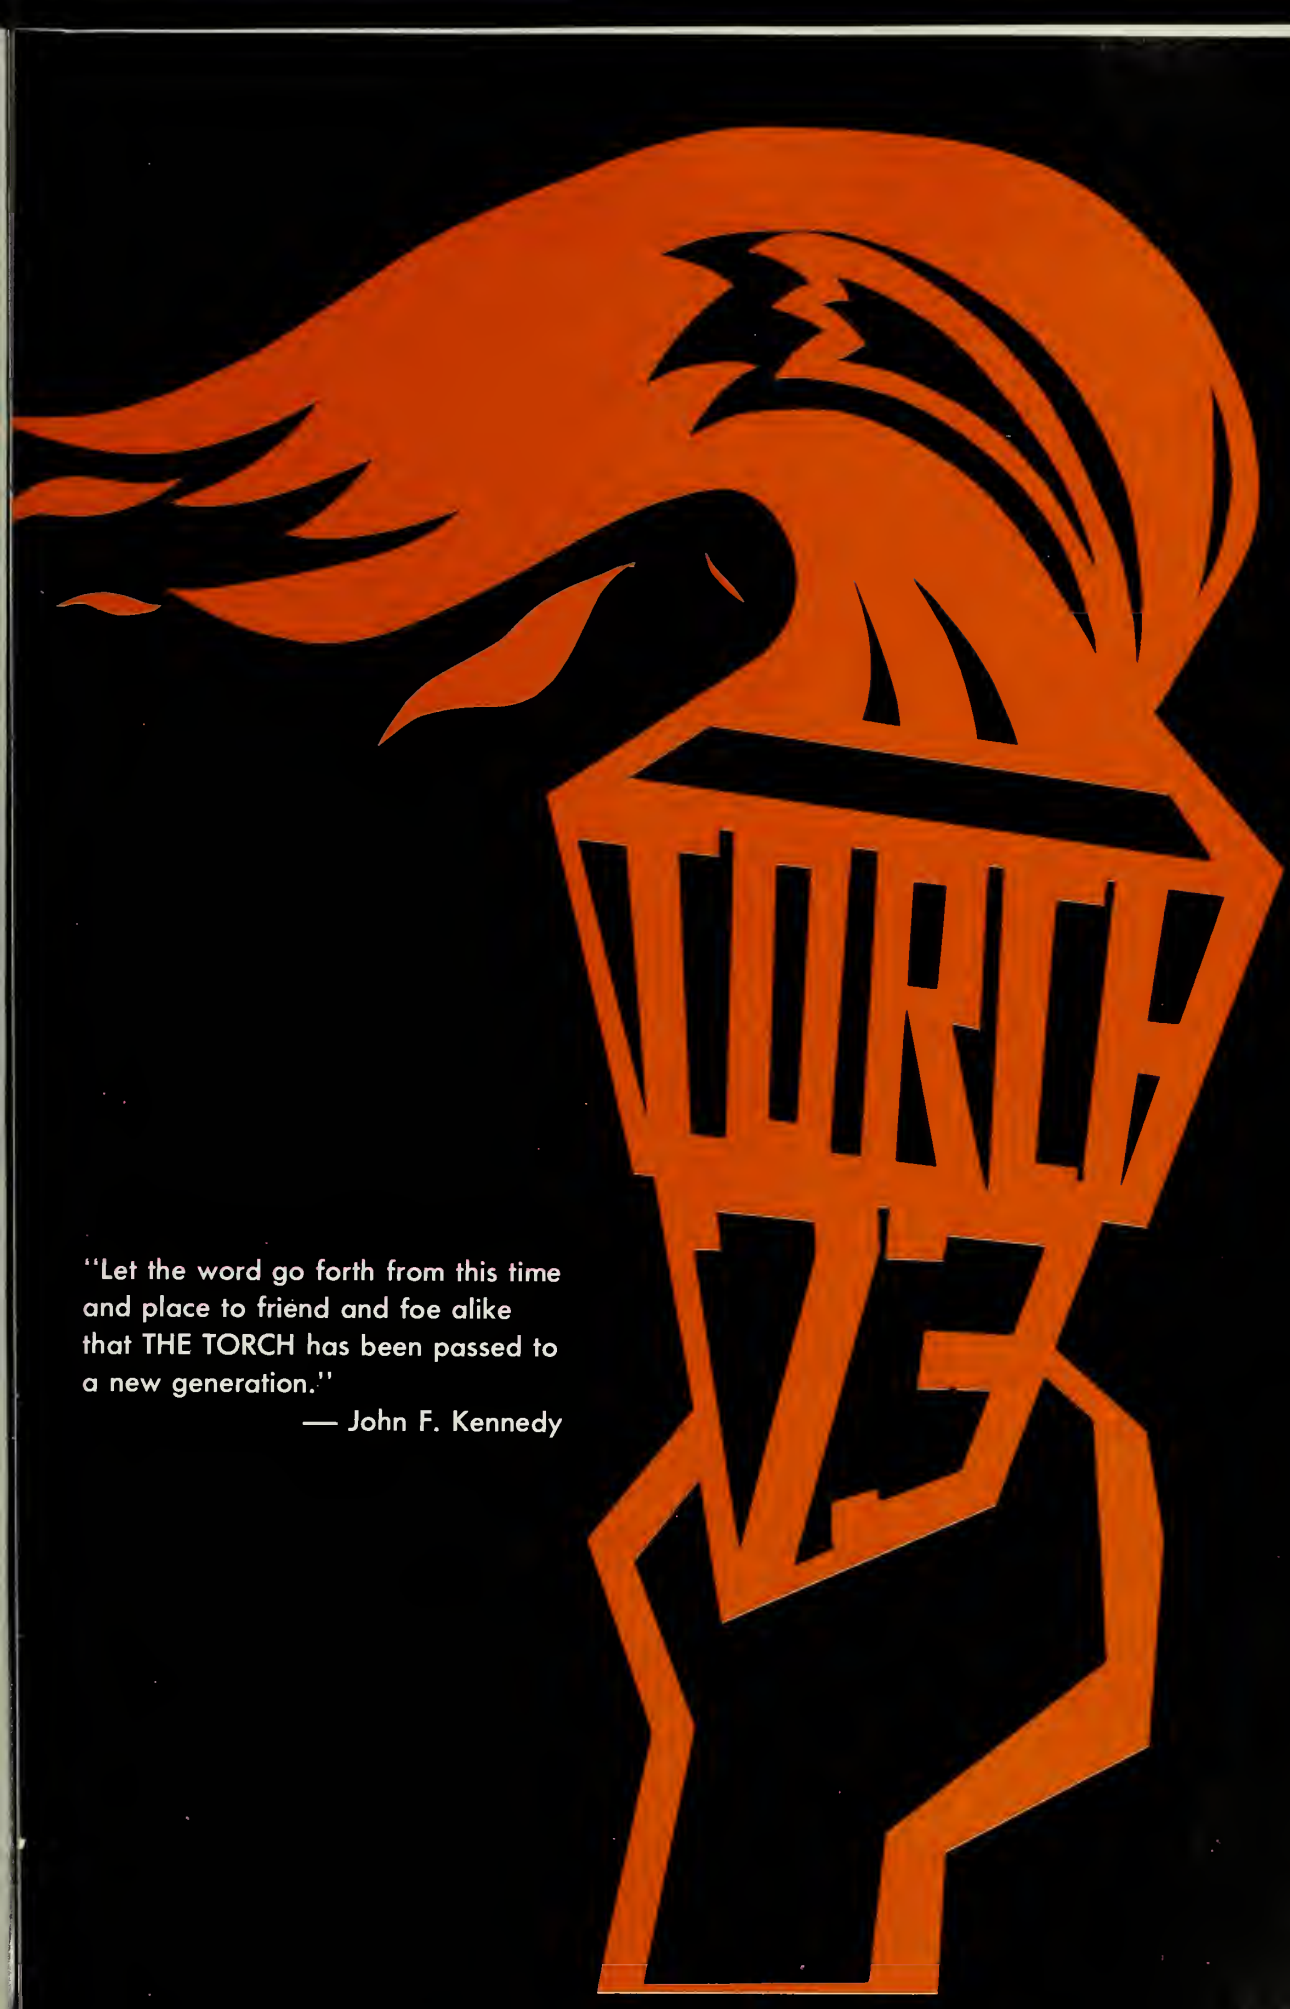
THE
TORCH
1973



A time it was and what a
Time it was, a time of innocence —
A time of confidences.
Long ago it must be — I have
A photograph. Preserve your memories;
They're all that's left you.

Simon and Garfunkel



"Let the word go forth from this time and place to friend and foe alike that THE TORCH has been passed to a new generation."

Mr. David Whiting
Our Advisor

How do you describe
a man
who would do
all he possibly could
for a student?

He must have
patience
understanding
and he must
want
to care

Qualities like these
are hard to find
but sometimes
they *are* found
as they were
in our year
1973

We'll always remember
Mr. Whiting
no matter where
he
or
we
may be

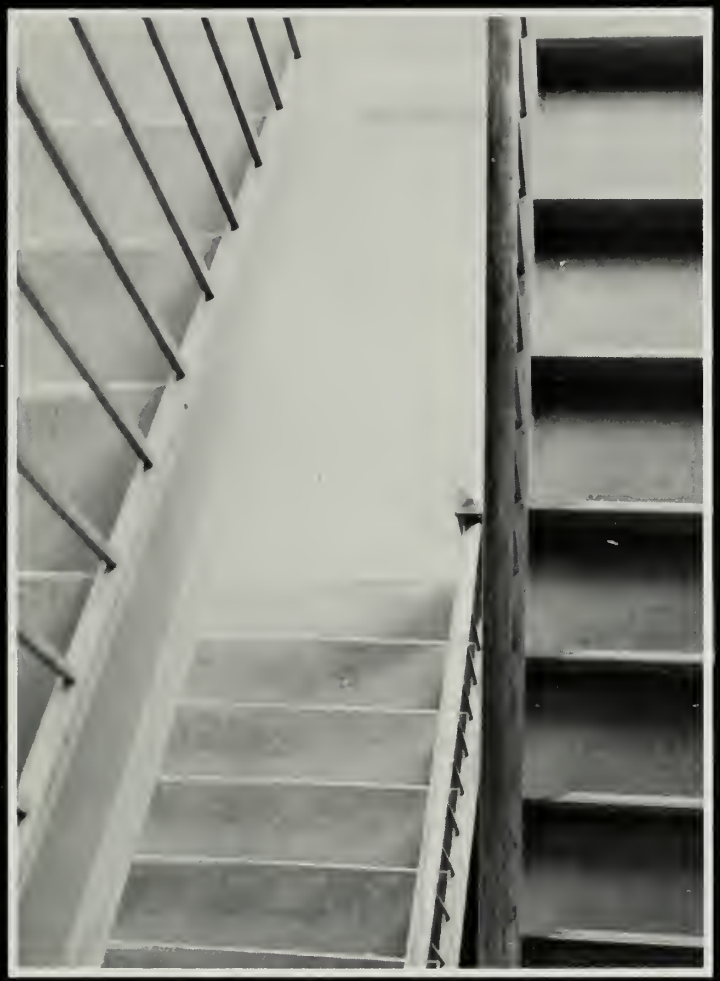
We've only just begun to live

White lace and promises

A kiss for luck and we're on our way

We've only just begun

Before the rising sun ——
we fly



We start out walking —
and learn to run

So many roads to choose

And,
yes we've just begun

Sharing horizons that are new to us

Watching the signs along the way

Abandon all hope ye who enter here.

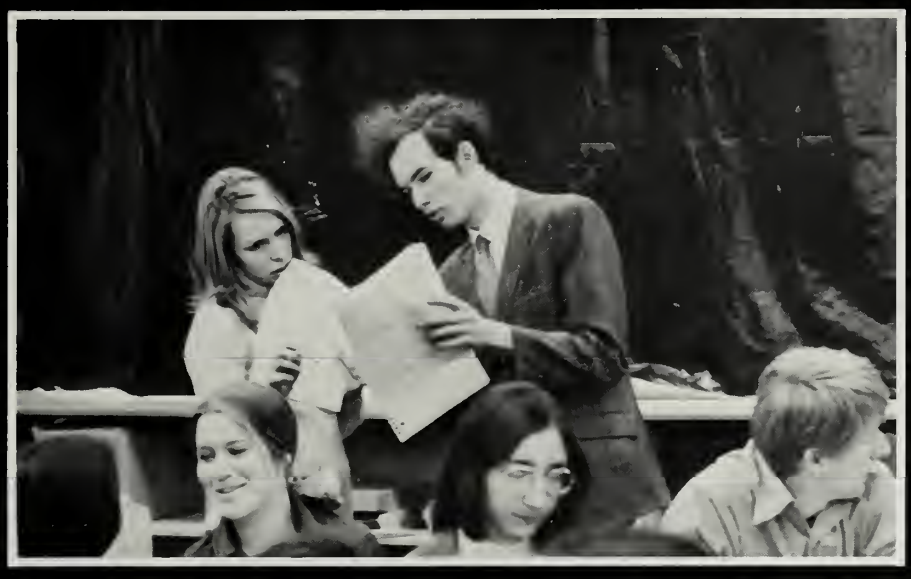
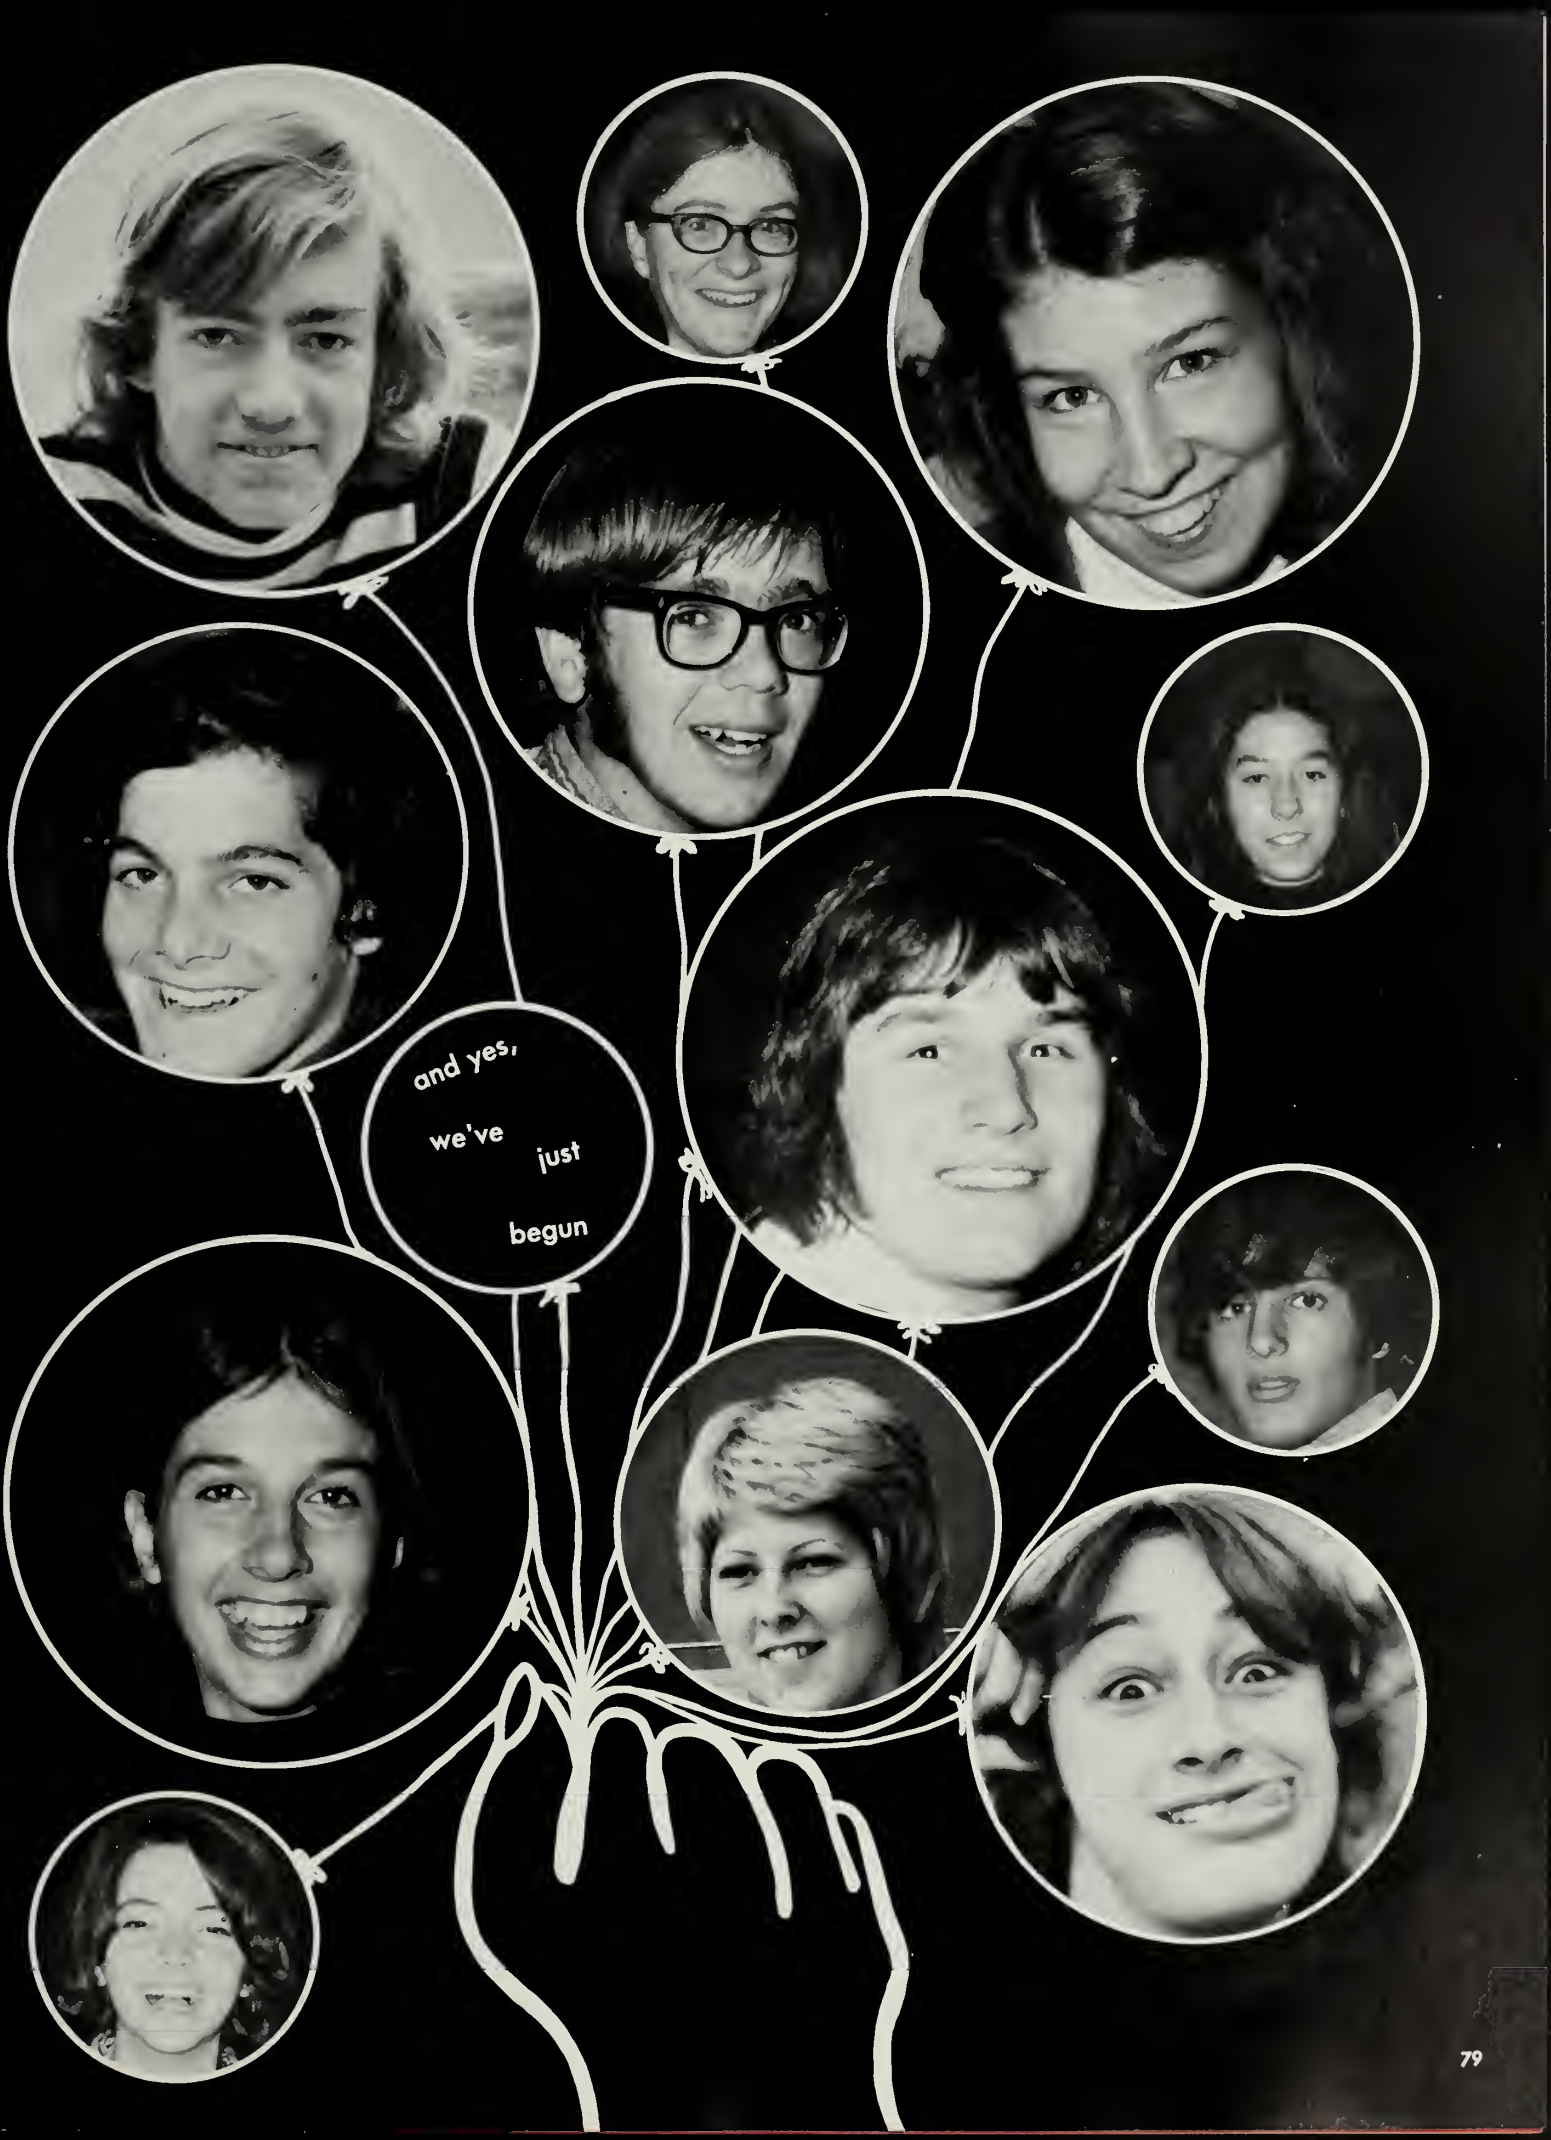
PRINCIPAL'S OFFICE

Talking it over just the two of us



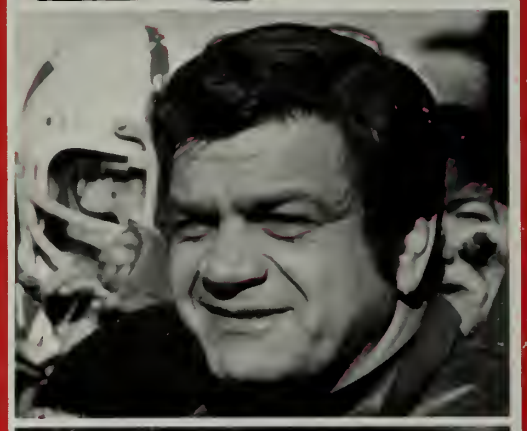
Working together day to day —
Together together

And when the evening comes, we smile
So much of life ahead ——
We'll find a place where there's room to grow



and yes,
we've
just
begun

We are the Rangers
Mighty Mighty Rangers
Everywhere we Go
People want to know
Who we Are
So we tell them . . .



We are the Rangers!

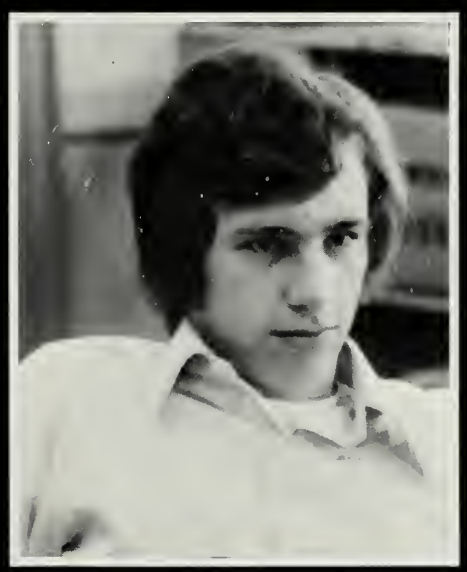
Concerts

. . . reflects
The Spirit of
The School . . .
From Bach
To Chicago . . .



Now that his day of toil is through
I love to think he sits at ease,
With some old volume that he knew
Upon his knees.

He who so loved companionship
I may not think walks quite alone,
Failing some friendly hand to slip
Within his own.

"Time passes much too quickly,
When we're together laughing."

"I planned each chartered course,
Each careful step along the by-way."
"There'll never be another love another time."

"Did I fill the world with love,
my whole life through?"

"Can love be measured by the hours in a day?"

"Weeks turn into years —
How quick they pass."
"A time for us,
At last to see,
A new world — A world of shining hope for you
and me."

"I never promised you a rose garden.
Along with the sunshine,
There's got to be a little rain sometime."

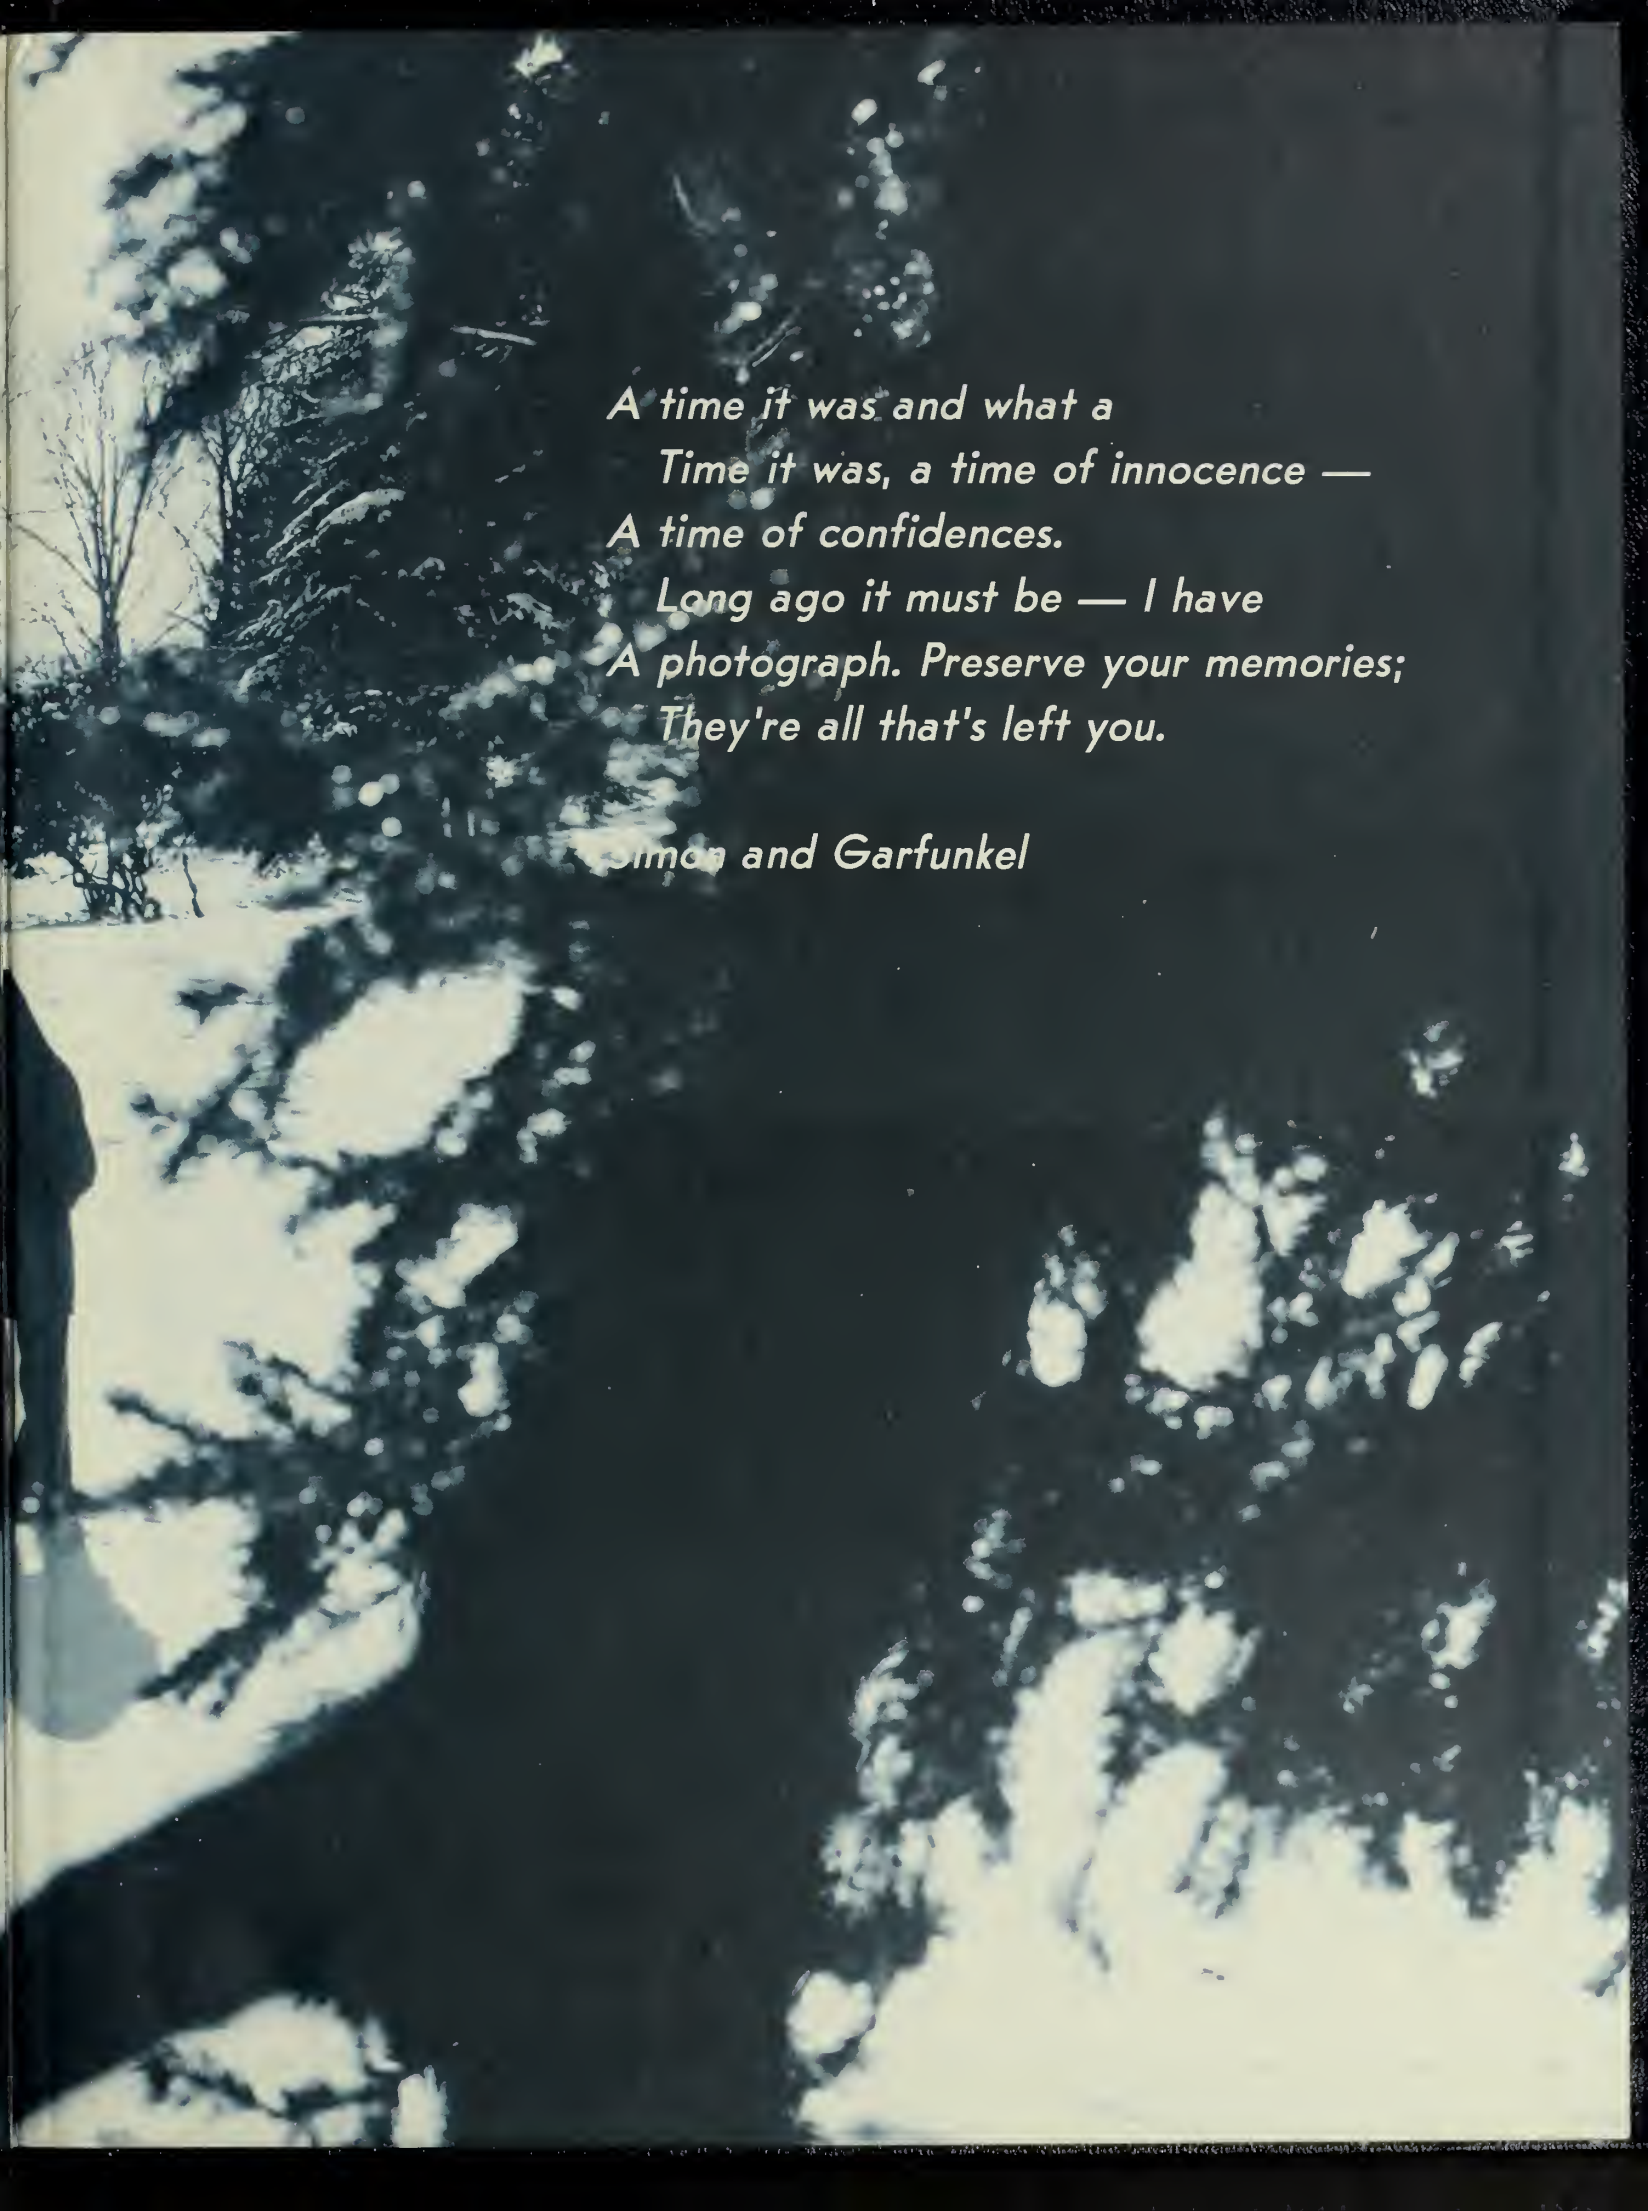
"As time goes on — I realize
Just what you mean to me."
"Your time has come to shine.
All your dreams are on their way."
"*Life* is a song that goes on *forever* . . . "

We've

Only

Just

Begun



A time it was and what a
Time it was, a time of innocence —
A time of confidences.
Long ago it must be — I have
A photograph. Preserve your memories;
They're all that's left you.

Simon and Garfunkel
